A vintage movie projector is shown in a dark room, projecting a slide onto a screen. The projector is on the left, with a large film reel and a smaller one visible. A film strip is running through the machine. The screen on the right shows a slide with text and a graphic. The text is "Let's go BEHIND THE SCENES..." and the graphic is a teal-colored swirl.

Let's go  
BEHIND THE  
SCENES...
